

ACCOUNT TRANSFER FORM INSTRUCTIONS

Complete all sections according to the instructions below. Please print or type all information. Return the completed form to your broker-dealer.

NOTE: You must attach your most recent brokerage account statement to process this account transfer. For an internal transfer (for instance, a transfer of assets between two introducing broker-dealers who clear through Pershing) the brokerage account statement is not required.

I. RECEIVING FIRM INFORMATION (Only one per form)

- Provide your Pershing account number.
- Provide your Social Security Number (SSN) or Tax Identification Number (TIN).
- If the account is a joint account, provide the SSN or TIN for the joint owner.
- Provide the two character account type code that most accurately describes your account.

II. DELIVERING ACCOUNT INFORMATION

- Provide the clearing firm number.
- Provide the original account number of the account you are delivering to Pershing.
- Enter the delivering firm name, contact name, and telephone number for nonautomated account transfers (non-ACAT).
- Provide the account title as it appears on your brokerage account statement for the account you are transferring.
- For non-ACATS only, provide the name and street address of the delivering brokerage firm.

III. TRANSFER TYPE (Choose only one)

Indicate the type of transfer you are requesting by checking the appropriate box. Pershing will only transfer positions in kind for retail accounts. For nonretirement accounts, the quickest way to liquidate your assets is to call your existing financial organization and place a sell order. In order to ensure that the trade is executed at the time and price you want, request to have the check mailed directly to you. When you receive the check, mail it (including your account number on the check) to: **PERSHING, ONE PERSHING PLAZA, 14TH FLOOR, JERSEY CITY, NEW JERSEY 07399, ATTENTION: MONEY DESK.**

- An Automated Customer Account Transfer (ACAT) is a transfer of all assets, in kind, from another National Securities Clearing Corporation (NSCC) member firm (generally, when using ACAT, money market funds will be liquidated; proprietary funds should be liquidated prior to submitting this form).
- A non-ACAT is a transfer of partial assets from a financial organization, or a transfer of assets from a non-NSCC member firm (for instance, a bank, credit union, mutual fund company, etc.), or a transfer of assets being liquidated for a qualified plan held directly at the fund company. Indicate whether the transfer is full or partial.
- An internal transfer is a transfer of assets between two introducing broker-dealers who clear through Pershing.
- A direct mutual fund transfer is a transfer in kind of a direct mutual fund position from the mutual fund company.
- A DRS/DRIP transfer is a transfer of a position held directly at the transfer agent.
- Retirement plan certificates of deposit (CD) instructions are for transfers of retirement plans at banks with CDs. Please indicate if you want to liquidate immediately or defer these instructions until maturity date. Please contact your financial organization to stop any automated rollover reinvestments. (Please read section V and sign when applicable.)

IV. PARTIAL TRANSFERS, DIRECT MUTUAL FUNDS, AND LIQUIDATIONS

If you selected non-ACAT, use this section to specify the appropriate assets for a partial transfer. If you selected Direct Mutual Fund Transfer, use this section to identify the mutual fund positions to transfer.

- Liquidations are for individual retirement accounts (IRAs) or qualified plans only.
- Select a dividend and capital gain option for direct, in kind mutual fund transfers. If a box is not checked, Pershing will process the transfer as cash, for dividend and capital gain options.

V. RETIREMENT PLAN RESTRICTIONS AND CERTIFICATIONS

If you are transferring a retirement account and are over the age of 70½, read this section carefully. Contact your investment professional or financial organization if you have any questions.

- The new custodian must provide the appropriate paperwork.
- For retirement accounts for which Pershing LLC acts as the custodian or servicing agent, you must pay all termination fees to your prior custodian before you can transfer assets. Any deposit made to your Pershing LLC custodian account to reimburse fees after the transfer shall be processed as a current year contribution.

NOTE: If you are transferring from a trustee, make the appropriate selection. If you have selected someone other than Pershing LLC as custodian, have your investment professional or financial organization obtain the necessary signatures to accept custodianship.

VI. PARTICIPANT SIGNATURE AND CERTIFICATION

- Sign and date the form.
- The form must be signed, dated, and signature guaranteed within 90 days of its receipt.
